## STRIKING TWO-TONE AND TACTILE GEOMETRICS - RHEA by Warwick

Overview: RHEA brings chunky colour contrast in a basket weave pattern. This fabric's engaging, small-scale geometric compliments an assortment of applications with a striking two-tone construction. With a tactile and tailored look, RHEA brings strength and sophistication to a space in a selection of emotive colours.

- **Design:** This yarn-dyed, jacquard weave combines classic pattern and contemporary colours together to create this versatile fabric. With a 100% polyester construction and backing for added stability, RHEA boasts a heavy commercial rating with easy-clean Halo properties. Creating casual, hassle free contrast has never been easier with RHEA's subtle sheen and dry textural handle.
- **Application:** RHEA is robust and adaptable, suited to most heavy commercial environments. Its small-scale graphic nature brings beautiful two-tone contrast to lampshades, cushions and upholstery applications large or small. RHEA's classic pattern and palette gives it the dexterity to work back with array of our plain fabrics, harmonizing together to help create your idyllic interior scheme.
- **Colourways:** With 15 two-tone colours, RHEA offers a selection of hues to blend and contrast into most commercial and residential environments. Cinnamon, Chrome and Gunmetal offer classic neutral hues. Ruby, Lagoon and Lemon add a bolder punch to the palette. Colours of Coral, Cactus and Atlantic bring contemporary, trending tones to the mix. With a consistent warp yarn, RHEA also combines with itself making the mixing of various colours clean and straightforward.
- **Rating:** RHEA is AS1530.3 fire tested and boasts a heavy commercial rating. With its Halo easy-clean properties and two-tone finish, this fabric offers strength and stability in a selection of two-tone contrasting colours. Versatile and transitional, RHEA is a carefree choice for high-traffic commercial areas to small-scale upholstery and cushions.
