

WARWICK

TAILORED TEXTURE FOR ENDLESS APPLICATIONS – SABA by Warwick

Bold and playful, yet refined and timeless, SABA is a versatile texture suited to a myriad of interior moods and applications. The colour variations within the yarn of this flat weave create a slightly chunky texture, adding depth and visual interest. Soft to touch yet heavy commercial in durability, SABA brings a casual yet tailored aesthetic to upholstery applications, from the family-friendly residential to modern commercial spaces.

- Durable and dependable, SABA is attributed with a heavy commercial rating making it ideal for upholstery situated in high-traffic commercial environments such as educational spaces. With the added benefit of Halo easy-clean characteristics and Oeko-tex certification, SABA also sits comfortably in residential interiors, with its softly textured finish, perfect for upholstery or cushions of any scale.
- Colourways: A true chameleon in nature, SABA's diverse colour offering makes it suitable to a vast array of interiors, depending on the colour chosen. Bold commercial spaces will make a statement with hues of Peacock, Sumac, Mandarin and Dijon, while Calico, Pumice, Ecru and Pewter offer soft and relaxing neutrals for a calming residential home. Contrarily, deep tones such as Midnight, Slate, Cinder and Raven are fitting for urban, coastal and contemporary schemes alike.
- Rating: Heavy commercial with AS1530.3 fire rating, SABA is a reliable plain weave texture for endless residential and commercial upholstery applications. Halo easy-clean and Oeko-tex certifications are added benefits of this versatile quality. From timeless and traditional to the refined and modern, SABA will effortlessly adapt to suit any mood or interior scheme.
