

WARWICK

Gosford

A fresh transition

Gosford Collection Hanger

Revitalise your interior with our fresh new collection, Gosford.

At home in either classic or contemporary interiors, the lovely transitional leaf design, Gosford, co-ordinates back beautifully with the retro inspired geometric Sadie, and stripe Lucilla.

All designs match back with our new contemporary plain, Vegas. With its subtle lustre and sophisticated texture, Vegas is a fantastic addition to our library, testing to Heavy Domestic and General Commercial upholstery performance ratings.

The Gosford collection joins our already extensive 'Halo' fabric range. As such, has been woven to precise specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety*. Halo fabrics are resistant to pilling, mould and mildew and impervious to attack by moths, silverfish and insect pests.

'Halo' is the Warwick hallmark for high performance easy clean fabrics. They are compatible with independent retail fabric protection and guarantee programs. These programs enhance the fabric's ability to resist liquid staining by providing a spill repellent surface and/or warranties to cover accidental damage.

Available in 4 fresh colourways, of Neutral, Seafoam, Coral and Delft.
