

WARWICK

Scatter

Our two tone Scatter design is a geometric matrix range that is multi-use, ideal for drapery, bedspreads, cushions and hospital screens.

This fresh and contemporary collection is available in 10 reversible colourways of Asphalt, Fudge, Latte, Mandarin, Mocha, Seafoam, Silver, Steel, Storm and Zest.

Scatter is a 100% Polyester, Australian Made range, which has been constructed with commercial specifications in mind. The convenience of 280cm width, means Scatter will provide a perfect and continuous drape every time and increases its appeal, as it's easy to use across multiple functions.

Scatter is very durable, will not shrink and can be easily laundered, including commercial washing and bleach cleaning. Additionally Scatter has been rated for fire retardancy, and Oeko Tex Certified.
