EMBRACE A MAXIMALIST STYLE WITH WILD, TROPICAL BOTANICAL PRINT – SEDA by Warwick

Encapsulate the beauty of a tropical paradise with SEDA. Warwick Naturally, SEDA is a contemporary, dual-purpose collection of a lush, botanical print that evokes a sense of escape with its vibrant palette and extravagant nature for a maximalist style and blissful aesthetic.

- **DESIGN:** SEDA is digitally printed on a woven cotton base cloth for a comfortable feel and features a brushed surface appearance that brings a soft, relaxed style and dry finish. Effortlessly chic, SEDA combines vibrant florals and lush, leafy palms in its elegant design that is perfect for creating serene spaces that promotes relaxation, as well as a laid-back look.
- **APPLICATION:** Suitable for residential and general commercial spaces, SEDA will bring an energised and lively feel to an array of interiors, making it an ideal collection for whimsical, nature-inspired styles. Dual-purpose, SEDA is ideal for creating statement pieces, including captivating sofas, as well as alluring cushions and lampshades, and striking drapery.
- **COLOURWAYS:** In four colourways, SEDA offers a vibrant palette that captures the beauty of the wild and its enticing nature. Jungle is the lightest option that features a variety of lush green hues mixed with sunset orange and a sandy beige that emulates a tropical oasis. For an autumnal style, Clay provides warmth with its terracotta base and combination of olive green, cocoa, mustard and pink tones. Mustard offers a fashionable look where its mustard base is met with green and punchy shades of pink, red and purple. To fully embrace a nature aesthetic, Forest is moody and evocative with rich greens, mossy teals, deep purple and orchid tints for a mysterious feel and intriguing allure.
- **RATING:** Certified for quality management system ISO9001, SEDA also features Oeko-Tex certification for added ease, making it safe from harmful substances and peace of mind.
