## Mendoza

Mendoza Collection Hanger

Mendoza is a clean contemporary Collection with Moorish influences. The ethnic feature design Mendoza works effortlessly with Catalina, a coordinating geometric and Sevilla, a small scale stripe. All designs are complemented with our popular flat woven Vegas plain.

The sophisticated weave provides the best of both worlds; the soft-touch characteristic of chenille, with the appearance and handle of a dry base cloth. This easy-to-work-with range is for General Domestic use, available in colours that go from a subtle, sophisticated slate to brights like turquoise and magenta.

Mendoza is part of our high performance, easy to clean 'Halo' range. Our Halo fabrics are woven to detailed specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety\*. Halo fabrics are also resistant to pilling, mould and mildew and to attack by moths, silverfish and other insect pests.

\*Tested for absence of Free Formaldehyde (ISO14184-1:1998)
