TRAVEL BACK IN TIME WITH ANCIENT, MOSIAC INSPIRED PATTERN - SOUMAKH by Warwick

Bring the beauty of ancient, worldly pattern to modern spaces with SOUMAKH. Warwick Naturally and dual-purpose, SOUMAKH is a contemporary take on traditional mosaic tile pattern that creates unique, eclectic environments for both residential and commercial interiors.

- **DESIGN:** Inspired by the beauty of traditional, Persian design, SOUMAKH is screen printed and embodies a ribbed, chenille texture where its mosaic pattern is given a distressed finish for an authentic aesthetic. Soft to the touch, SOUMAKH can be paired back with complementing plains, such as PELLE and COPELAND, for a look that is rich in texture.
- **APPLICATION:** Dual-purpose and Heavy Commercial, SOUMAKH will bring worldly styles to any interior setting. Oeko-Tex certified, SOUMAKH's eclectic pattern makes this collection ideal for creating unique drapery, sofas, ottomans, and cushions.
- **COLOURWAYS:** In four complementing colourways, SOUMAKH offers a mixture of neutral and earthy shades that are inspired by traditional Persian rugs and will pair back beautifully with any scheme. Document encompasses rich tones of red, sand and spice, while Indigo and Charcoal bring cooler, tonal hues. For a neutral aesthetic, Natural is a classic option.
- **RATING:** Heavy Commercial and Warwick Naturally with Oeko-Tex certification, SOUMAKH is a durable, dual-purpose fabric that is suitable for commercial and residential applications. This collection is bold, eclectic and rich in colourways, lending it to an array of moods - especially for those looking to add character and feature ancient, wordly pattern.
