## THE HEIGHT OF MODERN ELEGANCE - Summit by Warwick

Overview: Line, tone and texture harmonise in SUMMIT, a contemporary collection defined by its distinctly global aesthetic. A refined infusion of pattern and texture, small-scale designs and tonal hues embellish SUMMIT, a jacquard weave with a subtly raised design, soft sheen finish, elegant drape and silken touch.

- Inspiration: Refreshing, classic design for 21st century living.
- Application: The textural interest and gentle lustre of the collection instantly lift the ambience of any space. Small-scale, tone-on-tone designs are purposefully created for drapery, Roman blinds, lampshades and cushions.
- Design: A timeless, style trifecta of 3 skus coordinate the elegant, tonal stripes of SUMMIT with EVEREST's intricate diamond trellis while ALTITUDE is a distressed plain striae to pare back the statement.
- Colourways: An ethereal palette of mineral-inspired neutrals with urban influences- think Ice, Ivory, Mink, Snow and Biscuit to lighten a space and enigmatic tones of Mocha and Charcoal for depth and drama.
- Rating: A quality drapery product, certified under the world leading OEKO-TEX Standard 100.
