

WARWICK

RAW AND RELAXED WITH A ROBUST NATURE - TATE by Warwick

Overview: TATE offers a relaxed, contemporary look to a classic colour palette. With a heavy commercial rating, TATE is the perfect way to add subtle hues and timeless texture to interiors in any application.

- Inspiration: Designed with a universal capability in mind. TATE brings a raw and natural look to a heavy commercial world with an extensive colour palette to adapt to any interior.
- Design: TATE is a plain weave with irregular cationic yarns, achieving a natural two-toned look with a gentle texture.
- Application: Heavy Commercial rated with a muted palette, TATE is a perfect way of adding contrasting colour with a matte, raw look. With Halo characteristics, TATE is the ideal fabric for all upholstery applications large or small.
- Colour: All round an organic and muted palette, naturals of Oatmeal, Cobblestone and Dove would blend into any environment. Warmer tones such as Straw, Auburn and Melon bring a soft and tactile warmth to a space. Eucalyptus, Storm and Seafoam bring a cool and relaxed feel to a scheme.
- Rating: FR rated with Oeko-Tex certification, TATE features enhanced durability and easy clean characteristics through its Halo properties. An ideal solution to integrate textured colour into any commercial and residential scheme, TATE offers an aesthetic that is relaxed yet refined.
