

WARWICK

EMBRACE COUNTRY CLASSICS WITH A MODERN, SOPHISTICATED TWIST – WHITLAND by Warwick

Encompass a serene, country style with a modern twist with WHITLAND. Warwick Naturally, WHITLAND is a transitional, dual-purpose collection of nature-inspired patterns that bring earthen pops of colour to create a relaxed interior with a sophisticated feel.

- **DESIGN:** Designed in our Melbourne studio, WHITLAND is digitally printed on a woven, natural fibre blend base cloth, bringing a beautifully soft handle with a dry, washed finish and subtle micro texture for added appeal. In two coordinating designs for easy styling, WHITLAND features CLEMENTINE, a large-scale, multi-coloured floral; and WHITLAND, a small-scale, transitional leaf pattern.
- **APPLICATION:** Suitable for residential and general commercial spaces, WHITLAND will bring a serene and relaxed feel to an array of interiors, making it an ideal collection for sophisticated, country styles. Dual-purpose and perfect for pairing back together, WHITLAND is ideal for creating romantic sofas, as well as whimsical cushions and lampshades, and alluring drapery.
- **COLOURWAYS:** In six earthen colourways, WHITLAND offers a palette of soft, washed hues for a natural feel that complements its nature. Natural and Grey are classic neutrals while Honey and Peony bring a warm, traditional tones for inviting moods. For an impactful look, Blossom is a fashionable, eclectic option whilst Sage offers on-trend alternative for a touch of green. Lastly, Wedgwood is a cool, soothing blue that is ideal for a space of calm.
