PROVINCIAL SOPHISTICATION – WINCHESTER by Warwick

Overview: Traditional designs with a modern twist, the WINCHESTER collection fuses organic florals with multi-coloured stripes and geometrics, presenting a diverse collection that is unique and distinctive. This lustrous soft touch fabric adds effortless charm to interiors in a style statement that is sophisticated yet inherently fresh.

- **Application:** With five coordinating designs the upholstery options are endless; from sophisticated sofa settings, feature chairs, ottomans and accent scatter cushions, WINCHESTER provides the opportunity to create a tailored look with an overall enchanting aesthetic.
- **Design:** WINCHESTER'S large-scale trailing floral finds its perfect match in the damask floral designs of ASHWICK. Offering a contemporary contrast to traditional designs, WHITBY'S stylised floral geometrics are coordinated with the multi-directional leaf patterns of SURREY, while the multi coloured stripe WATFORD offers a transitional element.
- **Colourways:** Presenting a diverse colour palette of complementary shades, WINCHESTER balances key neutrals such as Sparrow, Slate and Ebony with bright fashionable tones of Citrus and Coral. For a more traditional feel Sky exhibits an aesthetic that is elegant and sophisticated.
- **Rating:** The WINCHESTER collection is Oeko-Tex certified, while the Australian Made feature designs also carry the added protection of Halo, high performance, easy clean characteristics. WINCHESTER is a timeless collection ideal for upholstery and decorative purposes in both residential and commercial settings.
