ZEPHYR

SERENE SOPHISTICATION – ZEPHYR by Warwick

Overview: Lose yourself in the weightlessness of this sophisticated sheer, with soft organic textures and a delicate weave. Presenting a dry tactile finish and a functional 300cm wide width continuous drop, ZEPHYR is a contemporary range that will integrate seamlessly into existing style schemes. With a relaxed feel and a natural aesthetic, this stunning fabric will bring a sense of serenity to modern interiors.

- **Inspiration:** Inspired by the light and free flowing movement sheers provide, this captivating range fuses soft textures with a sheer lightweight weave.
- **Application:** Featuring a relaxed weave and dry tactile texture, ZEPHYR has a raw aesthetic with continuous self-weighting characteristics perfect for architectural windows found in today's residential and commercial environments. ZEPHYR offers the perfect balance between light and privacy to create a modern sophisticated space.
- **Colourways:** In a selection of timeless shades, ZEPHYR can be incorporated into existing colour schemes with ease. Snow, Sand, Stone and Smoke are soft light shades with a tranquil feel, while Driftwood Taupe and Asphalt are darker tones that offer an earthy style.
- **Rating:** FR rated with a continuous 300cm wide width, ZEPHYR is a unique self-weighted sheer that is perfect for drapery purposes in both commercial and residential settings.
