

it'sinthebag

Share the Dignity's *It's in the Bag* initiative is one of Australia's most cherished Christmas appeals. Each bag donated **gives hope and dignity** to a woman or girl spending Christmas in a domestic violence refuge or homelessness shelter.

Warwick is **proudly supporting** Share the Dignity's, It's in the Bag initiative again this year. We would like to extend another **heartfelt thank you** to everyone who contributed in 2025.

We're encouraging our Warwick community to join us in giving back by sewing tote bags from repurposed Warwick fabric or donating any pre-loved bags to your local Warwick showroom, by post, drop-off or contacting your sales representative. Once collected, we will fill each bag with care items and pass them on to Share the Dignity to be distributed.
